### **SUGGESTED CRITERIA FOR PLAYER AND CHEERLEADER SCHOLAR-ATHLETE AWARDS**

Our committee feels that there is at least one **Senior** member of your team that exemplifies the characteristics to which this award is given. We are looking for applicants that have shown the ability and attitude to play the game of football or cheerlead well. However, academic success and community service are as compelling qualifications for nominating someone for this award. Ideally, the player you nominate will have achievement in all three of these areas. Please do not neglect to nominate someone from your program.
